December 16, 2017

Fellow Technicians,

Another year draws to a close for the NWTAs and plans are well underway for the next Convention. We return to Albuquerque NM, September 27th, 28th, & 29th, 2018, where our center of operations shall be at the Wyndham – Albuquerque Hotel and Convention Center. Please check the website for updated information which will post after the January 22nd Executive Board meeting.

Though losing some great friends to the "*passing of Time*", our membership has increased and we recognize those who join, with a certificate of appreciation for their contributions to the U.S Nuclear Weapons Programs.

To all members: Lifetime, Annual, Associate, Honorary, and all future new members, I wish a Merry Christmas, Happy New Year, and Peace for All.

Walter S. Sudol
President
